

Welcome Back!

My name is Mr. William Davis and I am the new principal at RSPA-Humble. I have been in education for 17 years. I earned my Bachelor's degree in Business Administration at Carroll University, and earned my Master's Degree in Education Administration from the University of Scranton. I began my educational career in Milwaukee, Wisconsin in 2001 as a second grade teacher at Milwaukee College Preparatory School. I spent 8 years at MCPS as an Educator, Dean, and Assistant Principal before relocating to Houston in 2009. Over the next 8 years, I served as a Math teacher, Athletic Director, Dean, and Assistant Principal at KIPP Houston Public Schools. My educational experiences have afforded me the opportunity to collaborate with a diverse group of people, to meet the common goal of increasing student achievement, and well-being. My educational philosophy is based on my uncompromising belief that all students can learn, given a positive learning environment, strong and knowledgeable leadership, a committed and focused educational team, an encouraging community, and a supportive family.

I am a very visible principal, and the best part of my job is visiting classrooms and students in all of their classes. I love getting to know students, teachers and parents, while building long lasting relationships. I am excited about the 2018-2019 school year and look forward to growing as a crew, together. My contact information can be found below if you should ever need to reach out.
