

## Welcome Back!

My name is Mrs. Aisha Taylor and I am the new principal at RSPA-Humble. I have been in education for 12 years. I earned my Bachelor's degree in Criminal Justice at the University of Houston-Downtown and earned my Master's Degree in Education Administration from Prairie View A & M University. I began my educational career as a career and Technology Education teacher having taught Criminal Justice courses. I spent 10 yrs. in Spring ISD as an Educator, Director, and Assistant Principal before coming to Rhodes School of Performing Arts. I have also been an instructor in higher education since 2013 as an Adjunct Professor at Lone Star College and Houston Community College. My educational experiences have afforded me the opportunity to collaborate with a diverse group of people, to meet the common goal of increasing student achievement. My educational philosophy is simple "do what's best for kids". As educators we have the privilege of serving students and it is our responsibility to ensure our decisions are always in the best interest of students. I am a very visible principal, the best part of my job is conducting classroom visits, coaching teachers, and inspiring students and staff. I love getting to know students, teachers and parents, while building long lasting relationships. I am excited about the 2019-2020 school year and look forward to growing as Crew, together. My contact information can be found below if you should ever need to reach out.
